

PATHWAYS MINORS FOR HISTORY MAJORS

APPLYING TO LAW SCHOOL?

Consider Science, Technology & Law. For students pursuing a legal career, this minor provides the philosophical and legal framework to consider innovation and intellectual property.

The Science, Technology & Law minor provides an opportunity to meet Pathways concepts 1a, 2, 3, and 7.

INTERESTED IN CURATING A MUSEUM OR HISTORICAL SITE?

Add the Event and Experience Management minor. Running a public-facing institution requires a mix of deep knowledge and promotional skills and this minor will help you gain the expertise needed to create events that highlight the value and context of your work.

Based in Pamplin's Hospitality and Tourism Management department, Event and Experience Management offers an opportunity to meet the Pathways requirements for concepts 2, 3, 5a, 6a, 6d, and 7.

ADD A NEW SKILL SET TO YOUR RESUME

The Data and Decisions minor provides an opportunity to use and critically think about data, adding balance and value to the scholarship provided by the humanities.

Enrolling in Data and Decisions can help fulfill Pathways concepts 1a, 2, 3, 5f, and 5a.

Looking for more options? Pathways General Education offers 30 minors to match your educational and professional goals.
